Hi Alexandre,

I got your score of 20/26, you did amazing! Let me know if I can call you tomorrow morning around 9:00 or 10:00.

We say it's a 3 months assignment but you can extend it up to 24 months.

Thanks and Regards

I tooked the test but it apparently won't allow you to cheat by seeing your answers later like it says and if so, I noticed I entered my e-mail wrong, so it maybe went to that one, and are you "temps?" aw

Hi Alexander,

I came across your profile and wanted to reach out regarding a unique opportunity. My client is looking to hire a Data Center Operations Assembler and it looks like you would be a great fit!

If you're interested in learning more, I'd love to connect. Would you be available for a quick phone call today?

As part of the hiring process, our client requires every candidate to complete the below assessment. It should only take 5 minutes to complete, it focuses on basic computer skills. Please complete this as soon as possible so we can quickly move you through to the interview stage!

<https://forms.gle/R9SmJiwZVQEJW3Wg6>

- **Job Title:** Data Center Operations Assembler
- **Location:** Lenoir , NC
- **Shift Hour Expectations:** M – F, 8:00 AM – 5:00 PM
- **Hourly Rate:** \$19.84

Key Responsibilities:

- Transfer tools, parts, equipment, and supplies to and from workstations and other areas.
- Assemble/disassemble and populate/depopulate equipment racks.
- Run/install ethernet and fiber optic cable per defined process.
- Operate barcode scanners and associated software tools.

Qualifications:

- High school diploma or GED.
- 3 years of general work experience in any field.
- Must be able to exert muscle force to lift at least 50 lbs.
- Must be able to understand and execute oral and written instructions.
